

Energy Upgrade California

Energy Upgrade California is a new statewide collaboration of governments and utilities

Energy Upgrade California provides:

- Over \$4,000 in energy efficiency rebates
- A one-stop shop for homeowners to find contractors and rebates
- Financing options
- A robust quality assurance program
- Marketing and outreach to drive homeowner participation

Surprising Facts About Your Home Energy Use — An Alameda Case Study

Information to help homeowners get up to \$4,000 in rebates on a home energy efficiency upgrade

WHEN: Thursday, October 13th
6:30–8:00 p.m.

WHERE: Alameda City Hall, Council Chambers, 3rd Floor
2263 Santa Clara Ave, Alameda, 94501

This event is FREE and open to all Alameda County homeowners. Snacks and coffee will be provided.

Please RSVP to this event online:
<http://alamedahomeupgrade.eventbrite.com/>

Participating Contractors who are trained and ready to work on your home will be there to answer your questions.

Did you know:

- The average home loses approximately 40% of its energy through leaks
- Indoor air quality is two to five times worse than outdoor air quality, according to the EPA
- You can get up to \$4,000 or more in rebates on energy efficiency work from PG&E and other sources, and your contractor will do the paperwork.
